

Please Read – Contains Important News Indoor Nets 2011

DON'T FORGET: **NETS START SUNDAY 6/3/2011** from 5 - 6 pm for 6 weeks.

As usual they are at **Lord William's Lower School, Towersey Road, Thame OX9 2AQ**

They are available to all senior players, juniors age 16+ and also any younger members who played in senior cricket last year. Other juniors who wish to attend should ask their parents to contact Steve Greaves first. There will be a nominal charge intended to cover the cost of hiring the facility.

These facilities are generally NOT available to colts (14 and under - this is a Health and Safety issue) - we hope to be able to announce training sessions for the youngsters shortly. These would follow the pattern of the successful arrangements made at Princes Risborough School last year.

More info - Steve Greaves 01296 747808 / 07879 433656 or by email to:

prcc.chairman@princesrisborough-cc.co.uk.

Other Training

Education sessions are being run by both Bucks Cricket Board and the Thames Valley League - both are **FREE** and will include suitable refreshments.

[a] The Bucks Cricket Board course is '*An Introduction to Cricket Umpiring*'. It will give a basic knowledge of the Laws of Cricket (all in just 2 hours!) and will run on the evenings of **11 April** (at Stoke Mandeville) and **14 April** (at High Wycombe CC).

It's not just parents who might fill in as umpires who could benefit from this. Most younger players would also find that there's a great deal that they'd learn and which would be useful if they have to stand at square leg because the opposition hasn't brought an umpire!

[b] The Thames Valley League '*Education Day*' will also be at High Wycombe CC and is more or less a full day event to be held on **Sunday 20 March**. As well as some aspects of the Laws (including recent changes) there will be info about the responsibilities of captains and such things as how they can speed up the running of matches.

Although geared towards the TVCL much of the information would be valuable to anybody called upon to captain a side - particularly useful for younger players with ambition! It is also useful as a refresher course for umpires or scorers.

If interested in either (or both) of these please contact me on 01628 4773988 or email to:

prcc.secretary@princesrisborough-cc.co.uk

Regards

John Bushby
(Hon Secretary)
