*[Everybody is welcome to **all** these events – more details further on]*

We are now well into the second half of the season and I'm writing to keep you abreast of the social events we've got coming up. As you'll see we have quite a few things in the pipeline and we want to use them to raise as much money as we can.

The Committee has identified that a main priority for the Club is to set up a proper outdoor net practice facility and we'd love to be able to do this by the end of 2010. Although we are committed to setting money aside in a fund for it this is a very expensive undertaking. We are examining the possibilities for grant funding though even if we are successful we will still need to meet at least 25% of the cost which is likely to be in the region of £18,000. Any fund-raising ideas – and preferably action – will be gratefully received.

We are always looking for volunteers to run social events and at the moment we also need someone to help us to investigate and apply for grants. We're also looking at whether we can do more to persuade the ladies within the club to get together – can we do something aimed at them? We're open to all sensible suggestions and would welcome any offers of help.

**Junior Kwik Cricket Tournament: Sunday 16th August** The tournament is for children aged 6/7/8/9 and will take place at High Wycombe Cricket Club on the *morning* of the 16<sup>th</sup>. On the day they will use pairs cricket-type games that both Craig Williams and Alan Dell have run a couple of times.

As it is now school holiday time Alan is looking for information about availability before selecting the team. Please let him know **as soon as possible** if your child would like to compete in this (please include their name and their age); from there we will try and put a team together. (Phone 01494 520442 / 07989 355654 or email [aland@tesseract.co.uk](mailto:aland@tesseract.co.uk)).

### **Fun Day: Sunday 30th August** (the bank holiday weekend)

The bar will be open (it is a Bank Holiday after all) and a BBQ will be running for most of the day. Highlights:
